## Filling the necessary details

The image shows the Clarifai Portal interface. A central modal window titled "Welcome to Clarifai Portal!" is displayed, providing a unified interface for managing applications, exploring data, and training models. It includes buttons for "Let's get started" and "Read the API Welcome Guide". The background shows a sidebar with navigation icons and a main area with a search bar and a list of applications, including "my-first-application". A chatbot window on the right offers assistance with pre-trained models, building custom models, finding documentation, or exploring.
